Remarks

One or more photo(s) has been virtually staged. This stunning Key West style waterfront home, located on approximately 100' of intercoastal waters, is situated on 1.27 acres of landscaped grounds with a winding driveway enhanced by mature trees. The main living space, comprising 2,399 square feet, is located on the second floor to take advantage of the spectacular water views. As you enter the home, you are greeted by an open floor plan that includes a spacious living room, kitchen, and dining area. The home boasts three bedrooms, 2.5 baths, tile flooring throughout the great room, tray and coffered ceilings, and light and airy color decor. The primary bedroom and large office have gleaming wood floors. The large open kitchen is equipped with SS appliances, granite countertops, and a generous island with seating space. A large pantry and laundry room are off the kitchen. The open floor plan is perfect for entertaining, with a living room that opens to a 281 sq. ft. screened lanai overlooking the sparkling saltwater pool and water views. The home also features high-impact glass windows, a metal roof, all Hardie board siding, and an elevator to the second floor. A 8 car oversized tandem garage and additional storage or a large workshop, which has 1,034 sq. ft. and a bathroom. A new dock.
